MEMORANDUM FOR: DEPUTY DIRECTOR (Administration)

SUBJECT: [REDACTED]

25X1

1. The proposal to reimburse M [REDACTED] 1 for entertainment expenses presents no legal problem insofar as dual compensation is concerned.

25X1

2. We wish to point out, however, that paragraph 4 presents a request which, if granted, would permit the reimbursement without an accounting even [REDACTED]

25X1

[REDACTED] Certainly there would be no accounting available to the certifying officer here.

25X1

3. The allowance requested appears to come within [REDACTED] as being for entertainment involved in procurement of information or special services. This requires presentation on the voucher of complete information in order to satisfy the certifying officer. Part 12 of the CFR's concerning vouchers and accountings does not permit any exception and requires the certifying officer to determine that the voucher is in accordance with regulations. [REDACTED] permits an exception to the requirement for submission of receipts in support of such accountings, but not to the accountings themselves.
